6th January 1953

Dear Professor Lederberg,

Many thanks for the reprint of your very interesting paper on replica plating. I sent off a reprint of my Royal Statistical Society paper before Christmas, so you should have received it by the time you read this. A much less mathematical paper will be appearing in an early number of the Journal of Hygiene, and I will send you a reprint of this as soon as it is available.

Yours sincerely,

P. Arinto

Professor J. Lederberg,
Department of Genetics,
University of Wisconsin,
College of Agriculture,
Madison, 6.
